

WANNA SPREAD SOME HOLIDAY CHEER? BECOME A VOLUNTEER “ELF” FOR THE HOLIDAY SEASON!

We're looking for a few good elves to deliver gifts to homebound, isolated, and lonely senior citizens during the month of December. Brighten the season for an older person who may not get any other gifts or visits during this festive time of year.

Visiting Neighbors is a non-profit agency which has been helping the homebound elderly in lower Manhattan and other areas of New York for over 37 years. **We need elves starting Monday, Dec. 7th to visit and deliver gifts.** Gifts can be picked up on most afternoons and evenings throughout the month of December. We set up Santa's workshop at 611 Broadway, Suite 510 (Between Bleecker and Houston Sts.).
